Please rank the following in order from 1-5, with 1 as the highest need regarding the academic, social, emotional, and mental health needs of all students as a result of the pandemic.

Please provide any other suggestions as to how we might best respond to student and educator needs related to COVID impact on learning.

6 responses

Everything is great as it is

Just extra attention and patience for my kids that missed alot during covid. i think you guys are doing great.

let the kids be able to check out the chrome books to do the online learning. Some students do not have tablets or laptops at home.

to focus on the possible gaps in learning that happened during the pandemic

Keep doing what you're doing.

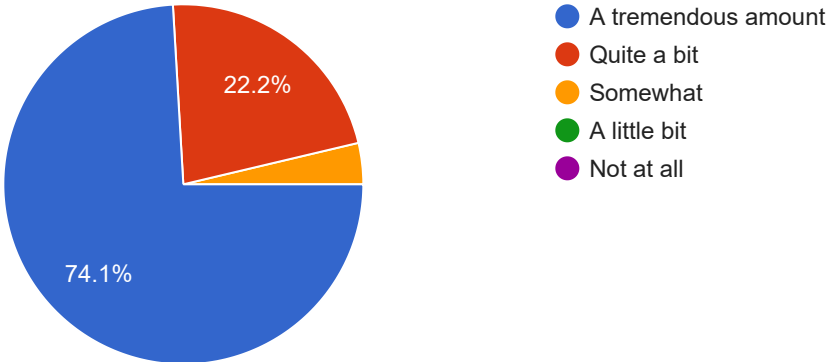

masks

To what extent do you think that students enjoy coming to Sivells Bend?

## What is working well in our school? What do you like the most?

24 responses

How polite and welcoming the school is in general

I love that you provide teaching self awareness and teach about bullying from the start..

good student/staff ratio, good atmosphere

The family like atmosphere and welcoming feel that the staff has

parent/teacher communication is great.

Smaller classes, more one on one time with students.

The approach from the teachers.

The compassion and attention that the teachers give to each student individually to make sure they are receiving the best education possible

I could choose just one thing. I love our small school.

The kids seem to be enjoying their time at school. I think the teachers are keeping them interested and engaged.

The small classrooms I think give teachers more one on one with students

one on one small classes

Small class size and additional one on one time between students and staff

Mostly everything works out well

the care

Small and family and neighborly oriented..and teachers and staff truly care about the students. Wonderful community.

small classes

working on computers and teachers there to help anytime

small school friendliness of all staff and students and the ability to help w our kids learning disabilities

that is a small school, more one on one with the teacher

school okay. I like everything teachers are great and are happy that they provide transportation for student.

I love that you connect with parents on the needs of the students and try to keep parents informed of what is going on with their children each day.

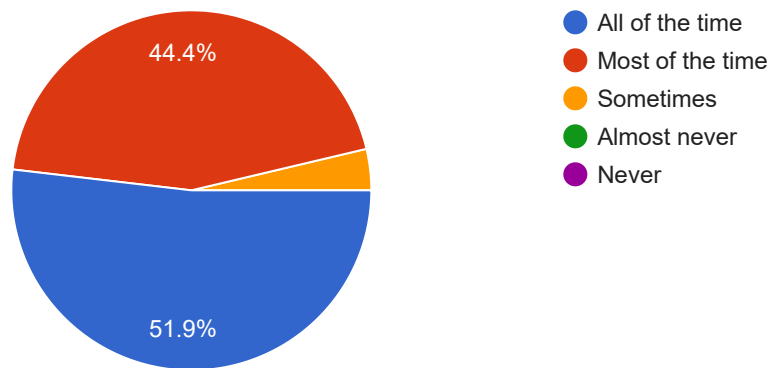

country learning

Teachers

Do you feel your concerns are addressed by teachers?

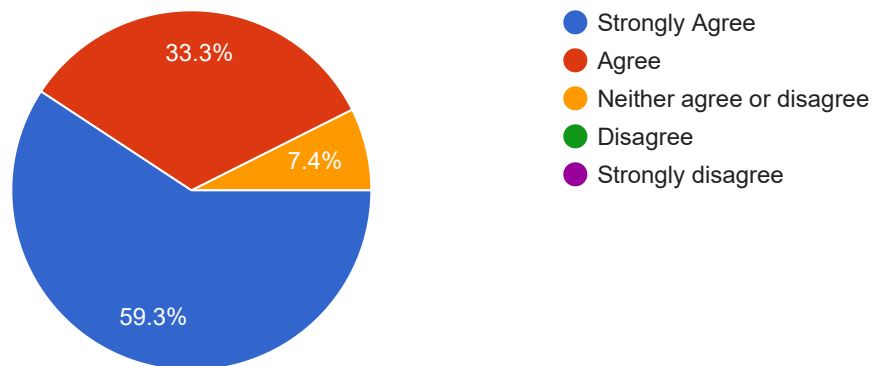

27 responses

How well do you feel your child is receiving academic support in order to be successful in the classroom?

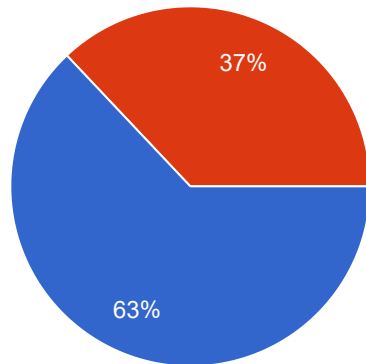

27 responses

I am kept informed about activities like tutoring, after school programs, student performances, parent workshops and other events.
